I want my child to participate in the Sunday morning programs at UUCB. I understand that photos are often taken of the kids during events here at the church to be used on the bulletin boards and the web site. I understand that if I do not want my child's photo used I need to speak directly to Rev. Christopher Holton Jablonski or Margaret Sequeira. I understand that in the absence of a medical release form, I must be present at UUCB while my child participates.
